Comments about this Session

- Great comments- some of the examples were extreme in my opinion to make a point.
- Best presentation of the entire show!
- Very knowledgeable and energetic.
- Excellent!
- Great session!
- Great information.
- Great information.
- Best talk of the week!
- Great topic. Good survey data. Useful information!
- Great information and research!
- Most informative session of the week. Sam packed the hour with [?] information. Thank you.
- Well presented, prepared, thought provoking.
- Excellent speaker who knows the subject, speaks well and has good support material.
- Fantastic.
- Missed 3D printing's potential impact in the U.S.
- Excellent ideas, I'll go to the next course.
- Great session, very knowledgeable and informative.
- Very interesting.
- Should not have started early. Great, fast-paced presentation. Built the case for need for transformation/disruption.
- Helped me see the future and find my place for the next 30 years. Thanks Sam.
- Awesome!
- Amazing!
- Wow! Excellent session! Ran out of time but I would have liked to see the link back to affordability.
